## Additional Terms:

Customer's access to Shared Mobile Devices requires the purchase of Digital.ai Mobile App Testing - Dedicated Device - On-Demand – Pro or Premium editions.

*Digital.ai Mobile App Testing – Shared Device - On-Demand* is subject to availability and Digital.ai's sole and exclusive discretion in select locations. Shared Mobile Devices are available for reservation/use by other Digital.ai Customers on a transitory basis. All Customer Data is removed from each Shared Mobile Device before it is released for reservation and use. Any one Shared Mobile Device cannot be reserved/used by any Customer for more than a twenty-four (24) hour period consecutively.

**Artificial Intelligence Features:** If the Product or Service includes features that utilize artificial intelligence ("AI Features"), Customer acknowledges that: (i) Digital.ai does not guarantee the accuracy, completeness, or reliability of any outputs generated by AI Features; (ii) Customer is solely responsible for any decisions made or actions taken based on outputs from AI Features; and (iii) Customer agrees not to use AI Features in any high-risk or critical environments where errors or inaccuracies could lead to significant harm or damage.

## Definitions:

"Mobile Devices" means mobile devices owned, operated, and deployed by Digital.ai for the benefit of Customer as described in the [latest release notes](#).

"Shared Mobile Devices" means one of a predefined pool of mobile devices owned, operated, and deployed by Digital.ai for the benefit of Customers on a first-come, first-served basis.
